SENATE BILL

No. 1592

Introduced by Senator Torlakson

February 20, 2004

An act to ~~add Section 65458 to~~ amend Section 65400 of, and to add Section 65458 to, the Government Code, relating to local planning.

LEGISLATIVE COUNSEL'S DIGEST

SB 1592, as amended, Torlakson. Local planning.

(1) The Planning and Zoning Law requires a city or county to adopt a general plan for land use development that includes a housing element, land use element, and an open-space element. The law authorizes the preparation of specific plans for the systematic implementation of the general plan.

This bill would, except as specified, require each city and each county to adopt or amend an infill ordinance or specific plan that identifies potential infill sites and specifies appropriate zoning to encourage infill development on vacant and underutilized parcels. It would require the infill ordinance or specific plan to provide at least 5 incentives for infill housing, as specified, as well as an affordable housing strategy. By imposing additional duties upon local officials, this bill would create a state-mandated local program.

The bill would also require (1) each city and county to comply with these provisions no later than one year from the date specified for the ~~next fifth~~ revision of its housing element ~~that occurs after January 1, 2009, and~~ (2) beginning October 1, 2007, the Office of Planning and

Research and the Department of Housing and Community Development to monitor these provisions, *and (3) the local planning agency to include, in a specified annual report, information demonstrating compliance with the infill requirements.*

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. *Section 65400 of the Government Code is*
2 *amended to read:*

7 the general plan or element of the general plan, so that it will serve
8 as an effective guide for orderly growth and development,

10 resources, and the efficient expenditure of public funds relating to
11 the subjects addressed in the general plan.

12 (b) (1) Provide an annual report to the legislative body, the
13 Office of Planning and Research, and the Department of Housing

17 65584 and local efforts to remove governmental constraints to the
18 maintenance, improvement, and development of housing pursuant
19 to paragraph (3) of subdivision (c) of Section 65583.
